PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 04/12/2022.

On December 26, 2022, Mr. Bates' conditions of supervision were reviewed by the probation officer and he signed said conditions acknowledging an understanding of his requirements.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

5

Special Condition #20: Defendant shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing (which may include urinalysis or sweat patch), as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: The offender is alleged to have violated special condition number 20, by ingesting a controlled substance, cocaine, on or about May 16, 2022.

On May 16, 2022, Mr. Bates reported to the U.S. Probation Office for a scheduled office appointment. At that time, he submitted a urine specimen that returned presumptive positive for cocaine. Subsequently, he signed a denial form indicating he had not used said substance. The urine specimen was thereafter sent to the national drug testing laboratory and was confirmed positive for cocaine.
